

Tablas de multiplicar

The screenshot shows a web browser window with the URL `localhost/multi/tabla.html`. The page has a purple background and contains a form for entering a number to generate a multiplication table. The form includes a text input field and a submit button labeled "Enviar". To the right of the form is a sidebar with the user's profile information, including the email `rogelio20498@cbtis75.edu.mx` and a list of other profiles.

The screenshot shows a web browser window with the URL `localhost/multi/tabla.php`. The page has a pink background and displays a multiplication table for the number 2. The table lists the products of 2 multiplied by numbers from 1 to 10. To the right of the table is a sidebar with the user's profile information, including the email `rogelio20498@cbtis75.edu.mx` and a list of other profiles.
